

## CNC Operator

An opportunity has arisen for a CNC Operator to join our expanding team at our new workshop based in Basildon.

At Falkus Joinery we provide a wide range of high-quality bespoke joinery products for both commercial and residential clients. We are skilled in producing a variety of custom and standard joinery items such as reception desks, wall panelling, wardrobes, kitchens, media units, and solid surface items. This is an exciting time to join an established company that is experiencing a period of growth and investment.

### **The Role**

The successful applicant would be required to work accurately and to a high standard, able to understand and read working drawings, able to use various machinery including spindle moulders, dimension saws, four sided planers, and drum sanders, CNC knowledge would be an advantage. The vacancy is workshop based and varied and the ideal candidate will be a team player but also be able to work autonomously.

- Good knowledge/experience of various machinery is essential.
- Minimum of 4 years' experience preferred

£16.00-£22.00 per hour depending on experience

### **Benefits**

- 25 days holiday plus public holidays
- Company pension
- On-site parking
- Private dental insurance
- Private medical insurance

- Sick pay
- Performance bonus

To apply please send you CV referencing the job title to [info@falkusjoinery.co.uk](mailto:info@falkusjoinery.co.uk).
